

## football obsession

Seeing all those late nights football fans in Asia have devoted to the World Cup this year, *Designer* has found some cleverly-designed furniture for those who want to try some 'kick' themselves – at home.

## final whistle

Is it a chair, a piece of sculpture, or a whistle?

## corner flag lamp

The lamp has a kink base with real studs, just like one on a real soccer ground. Interchangeable flag is designed for individual team spirit.

## the corner rug

Made of 100% British wool rug, it is an imitation of the corner of a pitch.
